

DIRECTIONS:

DAILY USE:

Morning and Evening:

1. Pour four to five drops of cleansing oil onto the palms of clean and dry hands.
2. Gently massage into palms of your hands to warm.
3. Massage evenly in a circular upward motion beginning with your décolleté then neck and face.
4. Apply warm water to emulsify the oil into a milky consistency and continue to massage.
5. Rinse thoroughly with warm water and dry.
