## FACE LIFT SOLUTION

TIGHTENS AND FIRMS

ALL SKIN TYPES\*4 FL OZ/118ML

Dr. Sevinor's Face Lift Solution is a precisely balanced and powerful blend of fruit extracts, glycolic and lactic acids. Together these ingredients help exfoliate the skin, making it appear smoother and younger while aloe vera and glycerin assist in making the skin feel moisturized. The Face Lift Solution is formulated to benefit all skin types.

**Directions:**

1. Cleanse the skin and dry thoroughly.
2. Open Pump in direction of arrow. Press down on pump **several** times until product begins to flow.
3. Apply a thin layer of Dr. Sevinor's Face Lift Solution in an upward and outward movement with finger tips onto the face and neck (avoid eyebrows and hair areas). May also be used for hand and chest treatments.
4. Use a thicker layer towards the edge of your face.
5. Allow Dr. Sevinor's Face Lift Solution to set and "gel" for 15 to 20 minutes and try to keep face expressionless during this time.
6. Peel the treatment solution off beginning at the edge of your face.
7. If a portion of the treatment solution remains, remove with wet sponges or washcloth.
8. May apply moisturizer and makeup after product is removed.
9. For normal to sensitive skin apply the treatment solution three times weekly. For oily skin may apply four times per week. Product is safe for daily use.

**Ingredients:**

Water, SD Alcohol 40-B, Polyvinyl Alcohol, PEG-12 Dimethicone, Glycerin, Propylene Glycol, DMDM Hydantoin, Glycolic Acid, Lactic Acid, Butylene Glycol, Rubus Idaeus (Raspberry) Fruit Extract, Prunus Persica (Peach) Fruit Extract, Passiflora Incarnata Fruit Extract, Mangifera Indica (Mango) Fruit Extract, Psidium Guajava Fruit Extract, Citrus Grandis (Grapefruit) Seed Extract, Aloe Barbadensis Leaf Juice, Cellulose Gum, Methylparaben, Propylparaben, Fragrance, Blue 1.
